BOOK SYNOPSIS

Impulse Control Activities & Worksheets for Middle School Students provides teachers, school counsellors, social workers and psychologists with tools to assist students in grades 6-8 with better impulse control. Lessons address the multiple areas that are affected by impulsivity such as academics, emotions, problem-solving, social skills, and romantic relationships. Expanding on existing evidenced-based practices for decreasing impulsivity, lessons provide specific, engaging activities and worksheets to use with groups or individuals. The activities are designed to teach students how to: understand the value of impulse control; use patience and tolerance; anticipate consequences; practice good problem-solving strategies; recognize and manage feelings; use impulse control with peers; practice good listening skills; "Be the Boss" of impulses; use impulse control with anger and anxiety; and more!
