Its a treasure house of information." Now this indispensable guide is back, in an even bigger and better edition, covering 500 of the countrys best local eateries from Maine to California. Filled with enticing alternatives for chain-weary-travelers, Roadfood provides descriptions of and directions to (complete with regional maps) the best lobster shacks on the East Coast; the ultimate barbecue joints down South; the most indulgent steak houses in the Midwest; and dozens of top-notch diners, hotdog stands, ice-cream parlors, and uniquely regional finds in between. Each entry delves into the folkways of a restaurants locale as well as the dining experience itself, and each is written in the Sterns entertaining and colorful style. A cornucopia for road warriors and armchair epicures alike, Roadfood is a road map to some of the tastiest treasures in the United States.
