BOOK SYNOPSIS

Wes Anderson is one of the most influential voices from the past two decades of American cinema. A true auteur, Anderson is known for the visual artistry, inimitable tone, and idiosyncratic characterizations that make each of his films- Bottle Rocket, Rushmore, The Royal Tenenbaums, The Life Aquatic with Steve Zissou, The Darjeeling Limited, Fantastic Mr. Fox, and Moonrise Kingdom- instantly recognizable as "Andersonian." The Wes Anderson Collection is the first in-depth overview of Anderson's filmography, guiding readers through his life and career. Previously unpublished photos, artwork, and ephemera complement a book-length conversation between Anderson and award-winning critic Matt Zoller Seitz. The interview and images are woven together in a meticulously designed book that captures the spirit of his films: melancholy and playful, wise and childish - and thoroughly original.
