## BOOK SYNOPSIS

Three Wishes is an exploration of family, relationships and modern love from the bestselling author of *Big Little Lies* and *Truly Madly Guilty*. They say trouble always comes in threes. . . For sisters Lyn, Cat and Gemma Kettle, the year they turn thirty-three is no exception. Sensible Lyn is struggling to balance being a mother, wife and businesswoman without losing her mind. Cat, whose perfect marriage is the envy of all her friends, never suspects that her husband has been hiding a secret that will tear her life apart. Directionless Gemma changes jobs and boyfriends every few months and has just met a new man who could be the one to unlock her hidden past. Through everything, the bonds of the sisters are strong enough to withstand whatever life throws at them. That is until the night of their thirty-fourth birthday dinner, when home truths are revealed and things are said that can't be taken back . . .
